CROP SCIENCE

Crop breeders, plant geneticists and physiologists, and workers in related areas will find Crop Science a source of valuable articles in their branches of science. This bimonthly journal carries reports of research in the genetics, physiology, ecology, breeding and management of field crops, turf-grasses, pastures and ranges, and in seed technology. It is published by the Crop Science Society of America.

$14.00 per year in U.S. and Canada.
$15.00 per year elsewhere.
