**Aims and Scope:** *The Journal of Economic History* seeks to promote the scholarly study of economic aspects of the human past from a diversity of perspectives, notably those of economists and historians. Comments and shorter notes are also welcome. The JOURNAL does not accept unsolicited book reviews, nor can it honor requests to review particular works. Contributions should be typed double-spaced. Footnotes, also double-spaced, should be grouped at the end of the paper, along with figures and tables. Four copies of each manuscript should be submitted. Prospective contributors may obtain a copy of the Style Sheet for the JOURNAL from the Editorial Office. A submission fee of \$20.00 or a year's membership (fee schedule below) is required from nonmembers of the Association.
