**D**R. J. COLLIS BROWNE'S CHLORODYNE  
—This wonderful remedy was discovered by Dr. J. COLLIS BROWNE, and the word Chlorodyne coined by him expressly to designate it. There never has been a remedy so vastly beneficial to suffering humanity, and it is a subject of deep concern to the public that they should not be imposed upon by having imitations pressed upon them on account of cheapness, and as being the same thing. Dr. J. COLLIS BROWNE'S CHLORODYNE is a totally distinct thing from the spurious compounds called Chlorodyne, the use of which only ends in disappointment and failure.

**D**R. J. COLLIS BROWNE'S CHLORODYNE  
—Vice-Chancellor Sir W. PAGE WOOD STATED PUBLICLY in Court that Dr. J. COLLIS BROWNE was UNDOUBTEDLY the INVENTOR of CHLORODYNE, that the whole story of the defendant was deliberately untrue, and he regretted to say it had been sworn to.—See *The Times*, July 13th, 1864.

**D**R. J. COLLIS BROWNE'S CHLORODYNE  
is a LIQUID MEDICINE which ASSUAGES PAIN of EVERY KIND, affords a calm, refreshing sleep, WITHOUT HEADACHE, and INVIGORATES the NERVOUS SYSTEM when exhausted.

**D**R. J. COLLIS BROWNE'S CHLORODYNE rapidly cuts short all attacks of EPILEPSY, SPASMS, COLIC, PALPITATION, Hysteria.

From SYMES and Co., Pharmaceutical Chemists, Medical Hall, Simla.—Jan. 5th, 1880.  
To J. T. DAVENPORT, Esq., 33 Great Russell St., Bloomsbury, London.—Dear Sir—

We embrace this opportunity of congratulating you upon the wide-spread reputation this justly esteemed medicine has earned for itself, not only in Hindostan, but all over the East. As a remedy

of general utility, we much question whether a better is imported into the country, and we shall be glad to hear of its finding a place in every Anglo-Indian home. The other brands, we are happy to say, are now relegated to the native bazaars, and, judging from their sale, we fancy their sojourn there will be but evanescent. We could multiply instances *ad infinitum* of the extraordinary efficacy of Dr. Collis Browne's Chlorodyne in Diarrhœa and Dysentery, Spasms, Cramps, Neuralgia, the Vomiting of Pregnancy, and as a general sedative, that have occurred under our personal observation

during many years. In Choleraic Diarrhœa, and even in the more terrible forms of Cholera itself, we have witnessed its surprisingly controlling power. We have never used any other form of this medicine than Collis Browne's, from a firm conviction that it is decidedly the best, and also from a sense of duty we owe to the profession and the public, as we are of opinion that the substitution of any other than Collis Browne's is a deliberate breach of faith on the part of the chemist to prescriber and patient alike.—We are, Sir, faithfully yours, SYMES & Co.

Members of the Pharm. Society of Great Britain, His Excellency the Viceroy's Chemists.

**D**R. J. COLLIS BROWNE'S CHLORODYNE is the TRUE PALIATIVE in NEURALGIA, GOUT, CANCER, TOOTHACHE, RHEUMATISM.

**IMPORTANT CAUTION.**

The IMMENSE SALE of this REMEDY has given rise to many UNSCRUPULOUS IMITATIONS.

N.B.—EVERY BOTTLE OF GENUINE CHLORODYNE BEARS the GOVERNMENT STAMP the NAME of the INVENTOR.

## INDIA REVISITED.

By EDWIN ARNOLD, M.A., C.S.I., Author of "The Light of Asia," etc.

With 32 Full-Page Illustrations from Photographs selected by the Author.

*Contemporary Review*:—"It is beyond all comparison the very best description of India as it looks to the intelligent European traveller that ever was written. Numbers of us have seen India as Mr. Edwin Arnold saw it last winter; but only a man of genius could have thrown his impressions upon paper in the way that he has done. No one, whether he knows the country or does not know it, will rise from the perusal of the volume without a quickened sense of the vast responsibilities which we have undertaken in India, and a quickened affection for the Indian people."

*Spectator*:—"The reader has seen India, or part of it, as if he had been there himself."

NOW READY.

Under the Patronage of Her Majesty's Secretary of State for India.

Large Demy 4to. pp. xliii. and 365, cloth, £3 3s.

## THE INDIAN EMPIRE: ITS HISTORY, PEOPLE, AND PRODUCTS.

By Sir WILLIAM WILSON HUNTER, K.C.S.I., C.I.E., LL.D.

Additional member of the Viceroy's Council, late Director-General of Statistics to the Government of India.

'A marvellous combination of literary condensation and original research. It gives a complete account of the Indian Empire, its history, peoples, and products, and forms a worthy outcome of seventeen years of labour, with exceptional opportunities for rendering that labour fruitful. Nothing could be more lucid than Sir William Hunter's exposition of the economic and political condition of India at the present time, or more interesting than his scholarly history of the India of the past.'—*The Times*.

'Alone and unapproached as a complete, although necessarily condensed, account of India and its people.'—*The Westminster Review*.

'Never before has the whole subject of Indian history been so adequately and so intelligibly treated.'—*The Pall Mall Gazette*.

'A compact body of information, arranged and classified on correct principles.'—*The Academy*.

'A model of combined lucidity, conciseness, and comprehensiveness.'—*The Economist*.

'It is not too much to say that no account of any country has been presented to the public which combines compactness, completeness, and artistic literary skill in the same measure as is disclosed by this remarkable volume. Many of its sections are based upon entirely new materials, derived from local research.'—*The Pioneer* (India).
