Volume XVI . No. 2

December 1982

ISSN 0026-3184

The Middle East Studies Association of North America, Inc. (MESA) was organized in 1966 by a group of American and Canadian scholars on the Middle East to—

- promote high standards of scholarship and instruction in this area;
- facilitate communication among scholars through meetings and publications; and
- foster cooperation among persons and organizations concerned with the scholarly study of the Middle East.

MESA focuses on the study of the Middle East since the rise of Islam, principally from the viewpoint of the humanities and the social sciences. Its membership is international.

Persons of scholarly training and/or achievement in Middle East studies are eligible to become Full Members. Other categories of membership are Associate, Student and Institutional. Each application is acted upon individually, and membership is on a calendar-year basis. Membership includes subscriptions to the *International Journal of Middle East Studies*, the *MESA Bulletin* and the *MESA Newsletter*. Application forms may be obtained from the MESA Secretariat at the address listed below.

MESA is a nonprofit corporation with tax-exempt status. Contributions to the Association are deductible under both U.S. Federal and British income tax regulations.

The following publications are available from the MESA Secretariat (please write for a price list):

- *American Images of Middle East Peoples: Impact of the High School*, by Michael W. Suleiman, MESA, 1977
