AIMS, SCOPE, AND GUIDELINES

The Austrian History Yearbook is a peer-reviewed annual journal for the study of the Habsburg monarchy and the Republic of Austria. It also publishes articles dealing with the other post-1919 successor states if the work has a clear thematic link to the history of the monarchy or the Republic of Austria. It welcomes any submission that has a significant historical dimension or uses historical modes of analysis.

The language of publication is English. The entire text (including quotations, notes, and other supporting material) must be typed double-spaced with one-inch margins. Notes should be numbered consecutively throughout and placed in a separate section at the end of the text along with any figures or tables. Manuscripts should be no more than thirty pages in length, not counting notes, tables, figures, and other supporting material. Before a submitted article is published, it is refereed by at least two outside scholars.

If you wish to submit an article, please send an electronic copy to the assistant editor at ahy@umn.edu. Electronic copies of final versions of accepted manuscripts must be submitted via e-mail and must be formatted according to Yearbook style guidelines. A style sheet can be obtained from the editors or Cambridge University Press’s website. Please note, if an article contains images, the permissions need to be submitted with the manuscript.
