The Journal of Institutional Economics is an interdisciplinary journal that will be of interest to all academic working in the social sciences, including in economics, business studies, sociology, politics, geography, anthropology and philosophy. The Journal of Institutional Economics aims to provide all authors with an expert verdict on their articles within 10 days of submission.

The submission of all manuscripts must be submitted online via the Electronic Submission System (ESS) at http://mc.manuscriptcentral.com/joe. If you have any difficulty in accessing your manuscript online can be found at the submission website by clicking on the 'Institutional Form' link at the top right of the screen; and then clicking on the 'Author Submission Instructions' on the following page.

All manuscripts should be sent online or via email. Authors can also submit their manuscripts by post. Please write to the Editor at the address below for the correct address and submission guidelines.
