PURPOSE AND FOCUS
The Journal of Financial and Quantitative Analysis (JFQA) is published quarterly in March, June, September, and December by the School of Business Administration at the University of Washington in Seattle, Washington U.S.A.

The JFQA publishes theoretical and empirical research in financial economics. Topics include corporate finance, investments, capital and security markets, and quantitative methods of particular relevance to financial researchers.

Opinions expressed in the JFQA are those of the authors and do not necessarily reflect those of the School of Business Administration of the University of Washington.

For specific information concerning subscriptions, submissions, single-copy orders, missing issues, permission to reprint, or advertising, write, call, or fax the JFQA office.

SUBMISSIONS
Manuscripts are to be sent in quadruplicate with a $50 submission fee for subscribers ($85 for nonsubscribers) to Professor Paul Malatesta, Managing Editor. To receive a style guide, write, call, or fax the JFQA office.

SUBSCRIPTIONS
Subscriptions, which must be prepaid and renewed annually, start with the next available issue unless otherwise requested. Checks or money orders must be payable to the JFQA in U.S. dollars for deposit in a U.S. bank. VISA and MasterCard are accepted. Claims for missing issues must be made within 6 months of the date of publication.
