This journal disseminates the latest work of researchers in the social and biological sciences who study the older population of Canada and other countries; informs policy debates relevant to aging; seeks to improve the quality of life for Canada’s older population and for older populations in other parts of the world through the publication of research that focuses on the broad range of relevant issues; and encourages the exchange of the latest ideas in gerontological research.
International Psychogeriatrics
Published for the International Psychogeriatric Association

Editor-in-Chief
Nicola Lauterschläger, University of Melbourne, Australia

A highly respected, multidisciplinary journal, International Psychogeriatrics publishes high quality original research papers in the field of psychogeriatrics. The journal aims to be the leading peer reviewed journal dealing with all aspects of the mental health of older people throughout the world. Circulated to over 1,000 members of the International Psychogeriatric Association, International Psychogeriatrics also features important editorials, provocative debates, literature reviews, book reviews and letters to the editor.

The Journal of Social Policy carries high quality articles on all aspects of social policy in an international context. It places particular emphasis upon articles which seek to contribute to debates on the future direction of social policy, to present new empirical data, to advance theories, or to analyse issues in the making and implementation of social policies.

The Journal of Social Policy is part of the 'Social Policy Package' with Social Policy and Society.
CONTENTS

2033 Referees for volume 35, 2015

Articles

2039 GINA BRAVO, MARIE-FRANCE DUBOIS, NICOLE DUBUC, LOUIS DEMERS, DANIELE BLANCHETTE, KAREN PAINTER, CATHERINE LE STAGE and CINTHIA CORBIN: Comparing the resident populations of private and public long-term care facilities over a 15-year period: a study from Quebec, Canada
