

EDITORIAL NOTE

With this issue of the *Journal of Linguistics* we say goodbye to Hans van de Koot, who has been part of the editorial team since January 2017. Hans has been an excellent editor and a joy to work with. We thank him for his dedicated service to the *Journal*. We are very pleased that he will continue his connection with the journal as a member of the editorial board. We also extend a warm welcome to Adam Ledgeway (University of Cambridge), who joins the team as a new editor, and we look forward to working with him.
