

## CORRIGENDUM

### **Relations between attachment styles, ageism and quality of life in late life**

---

Ehud Bodner and Sara Cohen-Fridel

doi:10.1017/S1041610210001249

The authors regret an error they made in the Results section of the Abstract. The sentence beginning “MANCOVAS indicated that securely attached individuals score higher than fearfully attached individuals” should read: “MANCOVAS indicated that securely attached individuals score *lower* than fearfully attached individuals.”
