Constitutional Thinking

Jeffrey K. Tulis and Sanford Levinson, series editors

States of Union

Family and Change in the American Constitutional Order

Mark E. Brandon

“A timely, substantive, and deeply engaging book that brilliantly analyzes the ever-changing place of families in American culture and law from colonial settlement to the contemporary debate over the constitutionality of gay marriage.”

—David S. Tanenhaus, author of *The Constitutional Rights of Children: In re Gault and Juvenile Justice*

“Brandon persuasively challenges contemporary claims that our political order, since the Founding, has rested upon a particular family form and set of legal and moral norms.”—Linda C. McClain, author of *The Place of Families: Fostering Capacity, Equality, and Responsibility*

352 pages, Cloth \$37.50

The Contested Removal Power, 1789–2010

J. David Alvis, Jeremy D. Bailey, and F. Flagg Taylor IV

“This book is important not merely for what it says about the ability of presidents to fire bureaucrats but also for its probing account of broader theories of constitutionalism and executive power that undergird and fortify claims about removal powers. . . . Deserves a privileged place in the conversation about the proper scope of presidential power.”—William Howell, author of *Power without Persuasion: The Politics of Direct Presidential Action*

American Political Thought
272 pages, Cloth \$34.95

Landmark Law Cases and American Society

Peter Charles Hoffer and N.E.H. Hull, series editors

Obscenity Rules

Roth v. United States and the Long Struggle over Sexual Expression

Whitney Strub

“An important and meticulously researched study of the pivotal case in the Supreme Court’s anguished attempts to balance the right of people to read, see, and hear what they wish against society’s interest in protecting itself.”—**Laura Wittern-Keller**, coauthor of *The Miracle Case: Film Censorship and the Supreme Court*

“A first-rate cultural history and an important contribution to understanding the unsteady course of First and Fourth Amendment freedoms in the United States.”—**Jay A. Gertzman**, author of *Samuel Roth, Infamous Modernist*
280 pages, Cloth \$34.95, Paper \$17.95

The Japanese American Cases

The Rule of Law in Time of War

Roger Daniels

“Daniels has a well-deserved reputation as a leading historian on this subject. Here, he ably recounts the legal challenges to their internment by four young Japanese Americans, which resulted in Supreme Court decisions that still provoke debate and denunciation. He also brings this story up to date with accounts of the successful effort in the 1980s to vacate their criminal convictions and promote ‘redress and reparations’ on behalf of all victims.”
—**Peter Irons**, author of *Justice at War: The Story of the Japanese-American Internment Cases*
240 pages, Cloth \$34.95, Paper \$17.95

SAVING THE SOUL OF GEORGIA
DONALD L. HOLLOWELL AND THE STRUGGLE
FOR CIVIL RIGHTS
Maurice C. Daniels
Foreword by Vernon E. Jordan, Jr.

"Donald Hollowell—a brilliant and courageous lawyer known as Georgia's 'Mr. Civil Rights'—has long deserved a biography to match his talents. In *Saving the Soul of Georgia*, this lion of the civil rights movement finally receives what he has so richly deserved."—Tomiko Brown-Nagin, author of *Courage to Dissent: Atlanta and the Long History of the Civil Rights Movement*, winner of the Bancroft Prize

Law and the Modern Condition
Literary and Historical Perspectives

Using fiction as a lens through which to view particular developments in the law, these essays by Friedman, Dargo and Spivack discuss works of literary fiction — some classical (the tale of Ruth in the Bible, the fiction of Franz Kafka and Herman Melville, the plays of William Shakespeare), some modern (the post-September 11 fiction of William Gibson, Ken Kalfus, Claire Messud, Ian McEwan and Helen Schulman) — concerned, directly or indirectly, with the historical development of the law. This exploration of legal history through fiction pays particular attention to its relevance to our present circumstances and our growing concerns about terrorism and civil liberties. xv, 266 pp.

John Gordan, III

The Fugitive Slave Rescue Trial of Robert Morris
Benjamin Robbins Curtis On The Road to Dred Scott

Relying on extensive surviving original records, this book analyzes the November 1851 trial in the federal circuit court of Robert Morris, the second black admitted to practice in Massachusetts, for rescuing a fugitive slave from the custody of the U.S. marshal in the federal courtroom in Boston. xxiii, 363 pp.

This "small" book packs a large wallop. Gordan navigates the complexities of trial advocacy and trial procedure with unexcelled mastery. His analysis of the complex legal issues, including the power of the jury to rule on questions of law as well as fact, is persuasive. Gordan also throws a revisionist light on some of the major players — like John P. Hale who emerges from the wings as the real leader of the abolitionist bar; and Benjamin R. Curtis, whose manipulation of the law in the Morris trial illuminates his famous dissent in Dred Scott v. Sandford. A gem of a book.

R. Kent Newmyer
University of Connecticut School of Law

Joseph-Mathias Gérard de Rayneval
New Introduction by William E. Butler

On the Freedom of the Sea

Available for the First Time to an English Readership

A previously overlooked and unpublished contemporary translation by Peter S. Du Ponceau of the classic treatise by Joseph-Mathias Gérard De Rayneval, *De la liberté des mers* (Paris, 1811), edited with an extensive introduction by William E. Butler. lxx, (xi-lvi new introduction), 181, iv, 146 pp.

Professor William Butler's careful scholarship and clear presentation bring to life an important translation of Gerard de Rayneval's work on the law of the sea, a topic of continuing interest to scholars and mariners alike in the 21st Century. Professor Butler's detailed introduction and editing of Du Ponceau's translation offer essential background for familiar maritime concepts and adds richness of the body of work explaining the legal regimes surrounding the use of the world's seas.

CAMBRIDGE
UNIVERSITY PRESS

American Society for Legal History

The American Society for Legal History is a nonprofit membership organization dedicated to fostering scholarship, teaching, and study concerning the law and institutions of all legal systems, both Anglo-American and international. Founded in 1956, the Society sponsors Law and History Review and Studies in Legal History, a series of book-length monographs available to ASLH members at substantial discounts. In addition, the Society holds an annual meeting to promote scholarship and interaction among scholars, practitioners, and students interested in legal history, and maintains a website (<http://www.aslh.net>) reporting developments in the field. For further information concerning the Society, please write: Sally Hadden, Department of History, Western Michigan University, 4301 Friedmann Hall, Kalamazoo, MI 49008-5334, USA.

To become a member of the Society or to renew your membership please complete, print out, and mail the following form to: Cambridge University Press, Attention: Customer Services, 100 Brook Hill Drive, West Nyack, NY 10994-2133, USA; or print it out and fax it to: 845-353-4141.

Membership Application

Please check appropriate membership below:

Regular Member, with an annual income
