Discover the benefits of **JDOHaD** on Cambridge Journals Online (CJO)

- Register for content alerts and receive notification when new articles are published online journals.cambridge.org/doh-alerts
- Save searches
- Search across Cambridge Books Online (CBO) and Cambridge Journals Online (CJO) simultaneously using our new faceted search functionality
- Register for updates on new developments and sample content from your ‘favourite journals’
- Easily download citations to reference management software
- Access CJO on your mobile: CJOM is optimised for smart phones and other small mobile devices

Members of DOHaD receive free access to the Journal. If you have any problems setting up your online access please contact: journals_societies@cambridge.org

Submit your research to JDOHaD

The Journal covers all aspects of research in developmental origins of health and disease (DOHaD) – from basic molecular research to health and disease outcomes, translation into policy and wider social and ethical issues.

- Global Editorial Board
- Dissemination of your research to over 5,000 libraries worldwide, including access through aid donation schemes
- Efficient online manuscript submission and tracking at ScholarOne™ Manuscripts
- FirstView publication of articles online ahead of issue and print allocation
- Generous copyright policies, compliant with all the major funding bodies
- State-of-the-art online hosting
- Forward reference linking
- Permanent record through DOI/CrossRef
- No submission or page charges
- Authors receive a free pdf of the final article

Transfer Research and Human Genetics, jointly with Alan R. Liss in New York, the Mendel Institute in Rome, except for the year 2000, by Australian Academic Press from Stockton Press (which became part of Martin & Stockton in 2000. It was published by University Press since 2012.

The title Twin Research and Human Genetics was adopted from the beginning of Volume 8 in 2005 and is a translation of Acta Geneticae Medicae et Gemellologiae, Luigi Gedda’s original title. In 2008, Twin Research and Human Genetics was also adopted as the official journal of the International Twin Studies (ISTS) and the Human Genetics Society of Australia.
The Genetic and Environmental Contributions to Internet Use and Associations With Psychopathology: A Twin Study
Elizabeth C. Long, Brad Verhulst, Michael C. Neale, Penelope A. Lind, Ian B. Hickie, Nicholas G. Martin and Nathan A. Gillespie

Genetic and Environmental Influences on Disability Pension Due To Mental Diagnoses: Limited Importance of Major Depression, Unemployment, and Heavy Drinking
Lars A. Romund, serene Røed-Mortensen, Kristian N. Juul, Kristine J. Henry-Baer, Darren J. Border and Erik J. C. J. de Geus

No Evidence of Causal Effects of Blood Pressure on Cognition in the Population at Large
Jana C. Bengtsson, Byng Y. Kwan, Sae-Jin Lee, Elinore S. O’Donovan, Niki P. G. Donation, Emily O. Patrick and Erik J. C. J. de Geus

Aging Trajectories in Different Body Systems Share Common Environmental Etiology: The Healthy Aging Twin Study (HATS)
Alireza Moayyeri, Deborah J. Hart, Harold Snieder, Christopher J. Hammond, Timothy D. Spector and Claire J. Steves

Differences in Religiousness in Opposite-Sex and Same-Sex Twins in a Secular Society
Linda J. Ahrenfeldt, Rune Lindahl-Jacobsen, Sören Möller, Kaare Christensen, Dorte Hvidtjørn and Niels Christian Hvidt

Whole-Exome Sequencing in Nine Monozygotic Discordant Twins
Rong Zhang, Holger Thiele, Peter Bartmann, Alina C. Hilger, Christoph Berg, Ulrike Herberg, Dietrich Klingmüller, Peter Nürnberg, Michael Ludwig and Heiko Reutter

Estimating the Risk of Monochorionic Twins in IVF Pregnancies From the Perspective of a Prenatal Diagnosis Unit
Veronica Sarais, Alessio Paffoni, Giulia Maria Baffero, Fabio Parazzini, Nicola Persico and Edgardo Somigliana

Risk of Monozygotic Twins After Assisted Reproduction: A Population-Based Approach
Fabio Parazzini, Giulia Maria Baffero, Nicola Persico, Fabio Pupin and Edgardo Somigliana

Cells With Chromosomal Aberrations Trigger Neoplastic Transformations in Humans
Hit Kishore Goswami

News, Views and Comments
Twinsters the Movie: Reared Apart Twins in Real Time/Research Reviews: Heteropagus Twin; Schizophrenia Liability; Twin Study of Epigenetics and Homosociality; Trisomies (15q) and (18q)

February 2016
Volume 19 Number 1

Covering all areas of human genetics
With an emphasis on twin studies, genetic epidemiology, psychiatric and behavioral genetics, and research on multiple births in the fields of epidemiology, genetics, endocrinology, fetal pathology, obstetrics, and pediatrics.
