Ageing & Society is an international journal devoted to publishing contributions to the understanding of human ageing and the conditions of old age, particularly from the social and behavioural sciences and humanities. Its coverage of ageing is wide and includes all aspects of the human condition, whether they relate to individuals, groups, institutions or societies. In addition to original articles, the journal carries a review section of book reviews and shorter notes.

Subscriptions: *Ageing & Society* (ISSN 0144-686X) is published in volumes of eight parts in January, February, April, May, July, August, October and November.
