

NEW BOOKS from synthesis Series

Pure Intelligence

The Life of William Hyde Wollaston
Melvyn C. Usselman

“Portraying the extraordinary polymath Wollaston both in detail and in the round, this elegantly written work is a major contribution to understanding early nineteenth-century British science. Usselman exhibits quiet mastery of the diverse fields in which Wollaston labored, fitting his subject into the science, the technology, and the political and economic life of his day. An intellectual tour de force and a pleasure to read.”

—Alan Rocke, Case Western Reserve University
Cloth £24.50

The Recombinant University

Genetic Engineering and the Emergence of Stanford Biotechnology
Doogab Yi

“*The Recombinant University* takes a fresh look at how genetic engineering was transformed from a research tool into an object of private investment and commercial returns. At the center of Doogab Yi’s probing analysis lies the question of the realignment between commercial enterprise and academic institutions, private ownership and public benefit of academic research.”—Soraya de Chadarevian, University of California, Los Angeles

THE BRITISH SOCIETY FOR THE HISTORY OF SCIENCE

Membership of the Society, which includes a subscription to *The British Journal for the History of Science*, is open to all persons approved by the Council of the Society and elected at an Extraordinary General Meeting. Details of the annual subscription can be found on our website www.bshs.org.uk or from the Executive Secretary at the address below. There is an Introductory offer for the first year.

BSHS publications: BSHS Monograph Series is designed to allow the publication of monographic studies in the history of science quickly and cheaply. Monographs 1–13 are available in digital form and can be downloaded for free via the BSHS website. Monographs 12–14 are available via a print-on-demand service.

Recent titles are as follows:

Images of the Earth: Essays in the History of the Environmental Sciences. Edited by L. J. Jordanova and R. Porter. Second edition. 1997. £17.

Science in Art: Works in the National Gallery that illustrate the History of Science and Technology. By J. V. Field and F. A. J. L. James. 1997. £15.

To See the Fellows Fight: Eye-witness accounts of meetings of the Geological Society of London and its Club, 1822–1868. By J. C. Thackray. 2003. £15.

The Society's magazine, *Viewpoint*, an informal publication, appears three times a year. It is free to members, £12.00 for institutions and UK non-members, 17.00 for overseas non-members from the Executive Secretary.

Administrative business of the Society is handled by Lucy Santos, Executive Secretary, British Society for the History of Science, PO Box 3408, Norwich, NR3 3WE. The Society is registered in England as a Limited Company (No. 562208) and is a Registered Charity (No. 258854). Email office@bshs.org.uk.

Information about the Society is available through the Internet: <http://www.bshs.org.uk>

Copying: This journal is registered with the Copyright Clearance Center, 222 Rosewood Drive, Danvers, MA 09123. Organizations in the USA who are also registered with the CCC may therefore copy material (beyond the limits permitted by sections 107 and 108 of US copyright law) subject to payment to CCC of the per-copy fee of \$12.00. This consent does not extend to multiple copying for promotional or commercial purposes. Code 0007-0874/2015 \$12.00.

ISI Tear Sheet Service, 3501 Market Street, Philadelphia, Pennsylvania 19104, USA, is authorized to supply single copies of separate articles for private use only.

Organizations authorized by the Copyright Licensing Agency may also copy material subject to the usual conditions. Articles from the Journal in electronic or microfiche form can be obtained from Cambridge Journals Online (www.journals.cambridge.org), Proquest (www.proquest.com) and NAPC (www.napubco.com).

For all other use, permission should be sought from Cambridge University Press or from its American branch.

Advertising: Contact the Journals Advertising Manager, Cambridge University Press, University Printing House, Shaftesbury Road, Cambridge CB2 8BS.

Back volumes a limited number of back volumes are available from BSHS Executive Secretary, PO Box 3408, Norwich, NR3 3WE. For Volume 24 onwards, apply to Cambridge University Press in printed form.

Information on the *British Journal for the History of Science* and all other Cambridge journals can be accessed via www.journals.cambridge.org

Claims for missing issues should be made immediately on receipt of the subsequent issue.

This journal issue has been printed on FSC-certified paper and cover board. FSC is an independent, non-governmental, not-for-profit organization established to promote the responsible management of the world's forests. Please see www.fsc.org for information.
