BRONCHITIS.

DR. J. COLLIS BROWNE'S CHLORODYNE.—This wonderful remedy was discovered by Dr. J. COLLIS BROWNE, and the word Chlorodyne coined by him expressly to designate it alone and nothing else. There never has been a remedy so vastly beneficial to suffering humanity, and it is a subject of deep concern to the public that they should not be imposed upon by having imitations pressed upon them on account of cheapness, and as being the same thing. Dr. J. COLLIS BROWNE'S CHLORODYNE is a totally distinct thing from the spurious compounds called Chlorodyne, the use of which only ends in disappointment and failure.

DR. T. COLLIS BROWNE'S CHLORODYNE.—Vice Chancellor Sir W. PAGE WOOD STATED PUBLICLY in Court that Dr. J. COLLIS BROWNE was德拉DUPPECTEDEL THE INVENTOR OF CHLORODYNE, that the whole story of the defendant was deliberately untrue, and he regretted to say it had been sworn to. See The Times, July 13th, 1864.

DR. J. COLLIS BROWNE'S CHLORODYNE is a LIQUID MEDICINE which ASSUAGES PAIN of EVERY KIND, affords a calm, refreshing sleep, WITHOUT HEADACHE, and INVIGORATES the NERVOUS SYSTEM when exhausted.

DR. J. COLLIS BROWNE'S CHLORODYNE rapidly cuts short all attacks of EPILEPSY, SPASMS, COLIC, PALPITATION, HYSTERIA.

The GENERAL BOARD OF HEALTH, London, REPORT that it ACTS as a CHARM, one dose generally sufficient.

IMPORERATEN CAUTION.

The IMMENSE SALE of this REMEDY has given rise to many UNSCRUPULOUS IMITATIONS.

N.B.—EVERY BOTTLE of GENUINE CHLORODYNE BARES on the GOVERNMENT STAMP the NAME of the INVENTOR, DR. J. COLLIS BROWNE.

EFFERVESCING PYRETIC SALINE.

"IT CURES SEA-SICKNESS, OR THE WORST FORMS OF BILIOUS OR NERVOUS HEADACHE IN A FEW MINUTES."

Important to all, more especially English Ministers, British Consuls, and Europeans seeking to reside in safety in Tropical and Foreign Climates.

HER MAJESTY'S Representative, the Governor of Sierra Leone, in a letter of request for an additional supply of the PYRETIC SALINE, says—"It is of GREAT VALUE, and I shall rejoice to hear it is in the hands of all Europeans visiting those climates."

It is found pre-eminently beneficial in preventing and curing EPIDEMIC SMALL-POX and FEVERS, by Purifying, Invigorating, and Vitalizing the blood. Any person who has already this complaint should take it, and be kept in a cool and darkened room to prevent any mark being left on the features. (See the new directions for use.)

It vitalizes and supplies the blood with those saline principles that are lost, altered, or destroyed during hot weather.

In Scarlet, Yellow, Typhus, Jungle, and Eruptive Fevers (or Cholera), also in several other conditions, where the vital current is poisoned by infection, and thereby rendered unfit to support health and life, it has been found eminently beneficial, and its sustaining and purifying influence acts as a preventive to disease, as the numerous unsolicited testimonials accompanying each bottle will prove.

SICKNESS, HEADACHE, and NAUSEA, are in most cases immediately relieved by taking a teaspoonful in a tumbler of cold water. This can be repeated once or twice in two hours, if needful.

SPECIAL AGENTS FOR LAMPLough'S PYRETIC SALINE:—Trencher & Co., Bombay; Scott, Thompson & Co., Calcutta; Oakes & Co., Madras; Llewellyn, Shanghai. May be obtained of all Chemists and the Proprietor,

THE LIGHT OF ASIA;
Or, The Great Renunciation.

Being the Life and Teaching of Gautama, Prince of India and Founder of Buddhism.

TOLD IN VERSE BY AN INDIAN BUDDHIST.

By EDWIN ARNOLD, C.S.I., Author of "The Indian Song of Songs."

"Mr. Edwin Arnold's poem, the 'Light of Asia,' is the most sympathetic account ever published in Europe of the life and teaching of the Saky Saint, Prince Gautama Siddartha, the Lord Buddha. . . . It is beyond the scope of the present review to enter into any explanation of the Dharma (Law of Righteousness), Karma, Nirvana, and other tenets and precepts of Buddhism. They will be found summed up in Buddha's 'Sermon on the Mount,' the poetical paraphrase of which in Mr. Arnold's 'Light of Asia' is one of the most interesting chapters of his book."—Times.

"With much skill Mr. Arnold has illustrated his narrative with a series of Indian pictures, the fascination of which will be felt by those who know India."—Pall Mall Gazette.

"In fact, in reading this remarkable poem, many will in imagination be transported again to the East, or revive with pleasure, in wonderful freshness, long dormant memories of that far-off land."—Observer.

"Its tone is so lofty that there is nothing with which to compare it but the New Testament; it is full of variety, now picturesque, now pathetic, now rising into the noblest realms of thought and aspiration."—Olivier Wendell Holmes, International Review.

"The Light of Asia" is altogether without a rival in contemporary literature. No such poem has appeared since 'Childe Harold.'"—The Pioneer, Allahabad.

"In Mr. Edwin Arnold Indian poetry and Indian thought have at length found a worthy English exponent."—Calcutta Englishman.
