

INDEX OF AUTHORS

| | PAGE |
|--|------|
| AYKROYD, W. R. Beriberi and other Food-deficiency Diseases in Newfoundland and Labrador. (With 4 Charts) | 357 |
| BURGESS, A. S. Virulence, Immunity and Bacteriological Variation in Relation to Plague. (With Plates IV and V) | 165 |
| COBBETT, L. The Decline of Tuberculosis and the Increase in its Mortality during the War. (With 11 Figures) | 79 |
| DUDGEON, LEONARD S. and GOADBY, H. K. Further Observations on the Staphylococci, with Special Reference to their Haemolysins and Variability. (With Plate VI and 1 Chart) | 180 |
| DUNKIN, G. W., HARTLEY, P., LEWIS-FANING, E. and RUSSELL, W. T. A Comparative Biometric Study of Albino and Coloured Guinea-pigs from the point of view of their Suitability for Experimental Use. (With 3 Diagrams) | 311 |
| EASTWOOD, ARTHUR. Systemic Influences in Immunity and Cancer | 267 |
| FAWCETT, HUGH A. Preliminary Rat-flea Survey and some Notes on its Relation to Local Plague, Hongkong | 482 |
| FINKELSTEIN, M. H. <i>See</i> MACKIE, T. J. | |
| FRASER, A. M. <i>See</i> SMITH, J. | |
| GIBSON, H. J. Observations on the Occurrence, Characteristics and Specificity of Natural Agglutinins | 337 |
| GOADBY, H. K. <i>See</i> DUDGEON, L. S. | |
| GRAHAM-SMITH, G. S. The Longevity of Dry Spores of <i>B. anthracis</i> | 213 |
| GREENWOOD, MAJOR. A further Note on "Status Thymico-Lymphaticus" | 403 |
| GREENWOOD, M., NEWBOLD, E. M., TOPLEY, W. W. C. and WILSON, J. A Further Study of Herd Mortality under Epidemic Conditions | 240 |
| GRIERSON, A. M. M. Observations on the Hygienic Condition of Public Swimming Baths | 66 |
| GUNN, W. C. <i>See</i> PETERS, R. J. | |
| HALL, MURIEL BARTON. Investigation of the Bacterial Content of the Urine in Normal Pregnancy | 409 |
| HARTLEY, P. <i>See</i> DUNKIN, G. W. | |
| HAY, HILDA R. Fatal Epidemic Enteritis due to <i>B. dysenteriae</i> Sonne | 25 |
| HEIBERG, POVL. Food Consumption Calculations based on the Danish Family Budget Enquiries | 468 |
| HOY, W. A. <i>See</i> WILLIAMS, R. STENHOUSE | |
| LASSEN, H. C. A. Vitamin A Deficiency and Resistance against a Specific Infection. Preliminary Report | 300 |
| LEWIS-FANING, E. A Survey of the Mortality in Dr Farr's 63 Healthy Districts of England and Wales during the Period 1851-1925. (With 1 Diagram) | 121 |
| LEWIS-FANING, E. <i>See</i> DUNKIN, G. W. | |
| MCKENDRICK, A. G. <i>See</i> PHILIP, SIR ROBERT | |
| MACKIE, T. J. and FINKELSTEIN, M. H. Complement-fixation by the Interaction of Normal Serum and Bacterial Suspensions—a Contribution to the Study of Natural Immunity Phenomena. (With 1 Chart) | 1 |
| MACVIE, M. H. <i>See</i> SMITH, M. M. | |

| | PAGE |
|---|------|
| MUMFORD, ALFRED A. Types of Body Build and their Relation to Special Aptitudes and Capacities. (With 2 Charts) | 490 |
| NEWBOLD, E. M. <i>See</i> GREENWOOD, M., SMITH, M. M. | |
| NICOLL, AGNES HILL. An Inquiry into the Health of School Entrants in a Suburban Area | 104 |
| PETERS, R. J. and GUNN, W. C. Cerebro-spinal Fever in Glasgow, 1929. (With 1 Chart) | 420 |
| PETRIE, G. F. An Analysis of the Influence of Irradiation by means of a Mercury Vapour Lamp upon the Health and Fertility of a Breeding Stock of Guinea-pigs and upon the Health of their Offspring during the First Six Weeks of Life. (With 3 Text-figures) | 154 |
| PHILIP, SIR ROBERT, MCKENDRICK, A. G., AND OTHERS. The Standardisation of Tuberculin. (With Plates VII-XII) | 221 |
| RIDING, D. Acute Bacillary Dysentery in Khartoum Province, Sudan, with Special Reference to Bacteriophage Treatment: Bacteriological Investigation. (With 4 Charts) | 387 |
| RUSSELL, W. T. <i>See</i> DUNKIN, G. W. | |
| SCOTT, W. M. <i>See</i> SMITH, J. | |
| SMITH, J. and FRASER, A. M. Agglutination Reactions in Relation to Sonne Dysentery | 216 |
| SMITH, J. and SCOTT, W. M. Continued Fever due to a Gärtner-like <i>Salmonella</i> of the Type "Dublin." (With 2 Charts) | 32 |
| SMITH, M. M., MACVIE, M. H. and NEWBOLD, E. M. An Investigation into the Agglutinating Power of Human Sera for <i>Bacillus typhosus</i> and Various Allied Organisms | 55 |
| TOPLEY, W. W. C. <i>See</i> GREENWOOD, M. | |
| WILLIAMS, R. STENHOUSE and HOY, W. A. The Viability of <i>B. tuberculosis (bovinus)</i> on Pasture Land, in Stored Faeces and in Liquid Manure | 413 |
| WILSON, G. S. The Relationship between Morphology, Colonial Appearance, Agglutinability, and Virulence to Mice of Certain Variants of <i>Bacterium aertrycke</i> . (With Plates I-III) | 40 |
| WILSON, G. S. Transient Fluctuations in the Resistance of Mice to Infection with <i>B. aertrycke</i> . (With 6 Text-figures) | 196 |
| WILSON, G. S. The Effect on the Virulence of <i>Bact. aertrycke</i> of Cultivation in Atmospheres containing Varying Proportions of Oxygen. (With 12 Text-figures) | 433 |
| WILSON, J. <i>See</i> GREENWOOD, M. | |
| WYLIE, MARGARET E. Serum Treatment of Scarlatina. (With 1 Chart) | 331 |
