Ultimate tents get you high and low or really far out!

If you're a backpacker you've got go!
Whether you're a beginner in the hills or an expert halfway up Everest.

Whether you pitch in your local woods or in the Arctic Circle.

Ultimate Equipment have lots of go too! We understand backpackers; that's why we endeavour to try and give you what you need in a tent, whatever your requirements, before you know it yourself.

Illustrated are four tents you should know more about; specially designed for differing needs. Each is one of a separate range.

So even if you're not biting your lip with suspense to see all our other tents and mountain equipment, we hope you're interested enough to call at your nearest Ultimate dealer or post off the coupon for our brand new catalogue.

We're quite sure you'll be impressed.

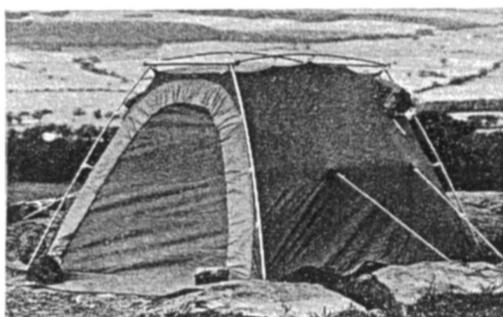

HIGH COUNTRY SUPER A spacious lightweight tent for touring or family backpacking.

'THE TENT' A mountain tent.

SUPER PACKER A lightweight tent for backpacking.

THE DENALI An expedition tent.
