A refreshing necessity...

More than an online legal resource Lawtel recognises the importance of offering our users a one-to-one level of support.

Our dedicated helpdesk team, available at the end of the phone, can talk you through any technical, content or search queries and find solutions to your problems.

Unlike the complex online information services, searching on Lawtel is kept simple, ensuring you find the service completely intuitive and easy to use.

Refreshing? Necessary? Our users think so
