The ENCYCLOPEDIA of the UNITED NATIONS AND INTERNATIONAL AGREEMENTS

Outstanding Reviews

Javier Pérez de Cuéllar, Secretary General of the United Nations

"The range of United Nations' activities is so broad that it is difficult to obtain an accurate and comprehensive picture of what has been, and is being done, to resolve conflict, to strengthen the prospects of peace and to improve the conditions of human existence...a formidable accomplishment...a ready source of information and a tool for research..."

The New York Times, October 23, 1985

The encyclopedia, which coincides with the 40th anniversary of the United Nations, is described by scholars and diplomats as one of the most valuable books ever published about the organization.

Development Forum of the UN

Containing a vast compendium of political, economic and historical information relating to the UN and its role in contemporary world affairs, Encyclopedia of the United Nations and International Agreements is destined to become the prime reference work on its subject for diplomats, journalists and academic researchers interested or active in international relations.

The Encyclopedia of the United Nations and International Agreements gives you:

- information on the structure of the United Nations, its specialized agencies, and the many intergovernmental and non-governmental organizations, international and regional, that cooperate with the UN
- entries on several thousand international agreements and conventions
- complete text or detailed summary of major treaties and resolutions
- explanations of widely used political, economic, military, geographical and sociological terms, including terms used in diplomacy and international law
- entries fully cross-referenced and annotated by original source
- a special index of 3,000 agreements, conventions and treaties, and an analytical index of 13,000 references

The Encyclopedia of the United Nations and International Agreements is compiled and edited by international prize-winning journalist, Edmund Jan Osmanczyk. Educated in Poland, Germany and France, Mr. Osmanczyk was a press correspondent at the Nuremburg Trials and for Polish Radio Moscow, and has been Diplomatic Correspondent to Washington and to Latin America. His extensive knowledge of world affairs adds much to this exciting volume.

The Encyclopedia of the United Nations and International Agreements will prove to be the definitive, one volume reference book for libraries, professionals and students of international law, history, world affairs and the United Nations.

INTERNATIONAL LAW
A Contemporary Perspective
edited by Richard Falk, Friedrich Kratochwil, and Saul H. Mendlovitz
“This is the book that a number of us have been eagerly waiting for to use in our undergraduate and graduate courses in international law and organization. The 9 chapters include seminal and provocative studies which represent the essential developments and problems in the field.”
—Larman C. Wilson, The American University
1985 • 702 pages • $53.50 (hc) • $21 (pb)

ESCALATION AND INTERVENTION
Multilateral Security and Its Alternatives
edited by Arthur Day and Michael W. Doyle
Assesses the diplomatic, political, military, and economic means that the international community has implemented over the course of recent disputes in Chad, Lebanon, Afghanistan, Iran-Iraq, Grenada, and the horn of Africa.
May 1986 • ca. 192 pages • $23.50

THE INTERNATIONAL DEBT GAME
A Study in International Bank Lending
Brian Kettell and George A. Magnus
In a no-nonsense manner, the authors describe the basic rules of international finance and assess the origins and impact of debt crises in the 1970s and '80s. They examine the roles of various international players in the debt game and conclude with a look at future implications.
1986—220 pages—$34.95, cloth—0-88730-117-7

SWORD AND SHIELD
The Soviet Intelligence and Security Apparatus
Jeffrey T. Richelson
"Through superb research Richelson has deflected the KGB's sword and pulled back its shield of secrecy further than ever before. For the first time light is cast on the Soviet Union's well hidden and growing technical espionage capabilities from surveillance to tattletale ships." —Jim Bamford, Puzzle Palace
1986—304 pages—$39.95, cloth—0-88730-035-9—$16.95, paper—0-88730-039-1

WORLD DEBT CRISIS
International Lending on Trial
Michael P. Claudon, Editor
This book takes a major step in softening the impact of future financial disasters by analyzing the past, present, and future of global debt and pointing the way to structural and institutional change. The experts agree that the acute phase may be over but some fundamental problems remain.
1986—328 pages—$32.00, cloth—0-88730-052-9
