Psychological Medicine

Editors
Kenneth S. Kendler, Virginia Institute for Psychiatric Behavioral Genetics, Virginia, USA
Robin M. Murray, Institute of Psychiatry, London, UK

Now in its fifth decade of publication, Psychological Medicine is a leading international journal in the fields of psychiatry, clinical psychology and the related basic sciences. There are twelve issues per year, each featuring original articles reporting key research being undertaken worldwide, together with shorter editorials by distinguished scholars and an important book review section. The journal’s success is clearly demonstrated by a consistently high Impact Factor.
