Comparison of Additive Manufactured and Conventional 316L Stainless Steels - ERRATUM

J. J. H. Lim, L. R. C. Malheiros, G. Bertali, C. J. Long, P. D. Freyer, and M. G. Burke

doi:http://dx.doi.org/10.1017/S143192761500313X, Published by Cambridge University Press, 3 August 2015.

"Comparison of Additive Manufactured and Conventional 316L Stainless Steel" by Lim et al. published with the co-author L. R. C. Malheiros incorrectly listed as “A. R. C. Malheiros.” We apologize for the error.
