NOTICE TO AUTHORS

Latin American Antiquity publishes papers on the archaeology, prehistory, and ethnohistory of Latin America, i.e., those countries—primarily Spanish speaking—comprising Mesoamerica, Central America, and South America, together with culturally affiliated adjacent regions. Submissions (articles or reports) may be in either English or Spanish. Authors should submit an original and three copies of their manuscripts, along with an abstract in both English and Spanish, to the editor. Latin American Antiquity follows American Antiquity style. Detailed information on policy, style, and technical matters of manuscript preparation is given in “Editorial Policy, Information for Authors, and Style Guide for American Antiquity and Latin American Antiquity,” which appeared in September 1992 (vol. 3, no. 3); for additional information or clarification consult the managing editor.
