Acceptable subjects include health law and health policy; legal, ethical, social, and economic aspects of medical practice, education, and research; health-related insurance; and other issues involving the relationship of the life sciences to the social sciences and humanities. AJLM is interdisciplinary. Submissions from specialists in all health care-related disciplines are welcomed.

EDITORIAL ADDRESS: Send all materials to the Editor-in-Chief, AMERICAN JOURNAL OF LAW & MEDICINE, 765 Commonwealth Avenue, Suite 1672, Boston, Massachusetts 02215.

GENERAL SUBMISSION FORMAT: Manuscripts must be typed and single-sided. They must be double-spaced, with liberal margins. Manuscripts should be submitted in *triplicate*, i.e., an original and two photocopies. The title of the paper and the author's name and address should be given only on the cover sheet. Papers should be a minimum of forty pages in length. If a paper is accepted, the author will be expected to provide a disk copy either in MS Word or WordPerfect formatted for IBM/PC.

ABSTRACTS: An abstract (of no more than 200 words), succinctly summarizing the content of the manuscript, should accompany the manuscript on a separate page.

REFERENCES: Footnotes must be numbered consecutively and double-spaced. All footnotes should conform to *A Uniform System of Citation* (16th ed.), which is published and distributed by the Harvard Law Review Association, Gannett House, Cambridge, Massachusetts 02138. If unfamiliar with this system should follow the citation form accepted in their discipline. When a paper is accepted, the editors will work by arrangement with the author to convert the footnotes into the proper form.

ILLUSTRATIONS: All illustrations, tables, graphs, and charts must be numbered and given suitable legends. Authors must indicate in the manuscript the appropriate positions of such graphics. Authors will be expected to provide either suitable electronic graphics files or camera-ready copy.

SELECTION & EDITING TIMETABLE: On receipt of a manuscript, the editors will send a letter of acknowledgment. Authors will be notified of manuscript decisions within one to three months of receipt, depending on the length of the manuscript. Accepted manuscripts are usually published within three months of acceptance.

PROOF PAGES & AUTHOR REPRINTS: Authors will be given *one* set of proof pages prior to publication. Proof pages will incorporate textual revisions discussed between the editors and the author. Reprint order forms for perfect-bound reprints will accompany the proof pages. All orders must be prepaid.

RETURN OF MANUSCRIPTS: AJLM retains one copy of all manuscripts submitted for consideration. Copies are not returned unless the author so requests in writing and supplies AJLM with a return self-addressed envelope and adequate postage.
