Statement of Purpose

Religion and American Culture: A Journal of Interpretation explores the interplay between religion and other spheres of American culture. The journal embraces a diversity of methodological approaches and theoretical perspectives. Although concentrated on specific topics, articles illuminate larger patterns, implications, or contexts of American life. Religion and American Culture is, thus, devoted to promoting the ongoing scholarly discussion of the nature, terms, and dynamics of religion in America.

Religion and American Culture (ISSN 1052-1151, e-ISSN 1533-8568) is published three times a year (January, May, and September) by Cambridge University Press (One Liberty Plaza, 20th Floor, New York, NY 10006) for The Center for the Study of Religion and American Culture.
