

## ERRATUM

# Causal Agnosticism About Race: Variable Selection Problems in Causal Inference – ERRATUM

DOI: <https://doi.org/10.1017/psa.2023.166>, published online by Cambridge University Press, 16 February 2024.

During production of this article,<sup>1</sup> a phrase was duplicated in the fifth sentence of the introduction. The correct sentence is: “The views in the *philosophy of race & causation* literature can roughly be divided into four main camps [.]”

The publisher apologizes for this error.
