Sociology
Books and Journals from Cambridge University Press

Cambridge’s sociology list is one of the longest established and most respected in the world.

Including leading authors such as Michael Mann, Anthony Giddens, Charles Tilly, Theda Skocpol and Margaret Archer, our books list has particular strengths in social theory, historical sociology, political sociology and research methods.

This is complemented by a cluster of leading journals including European Journal of Sociology, Journal of Social Policy and Ageing & Society.
