In the original publication of this review (Mbunga 2022), some words were mistakenly deleted from a sentence.

The first sentence of the fifth paragraph of the review should read as follows:

In Chapter Three, for example, Blunt argues that as the Mau Mau War progressed, oath administrators continuously expanded the range of symbols and clauses that they used in Mau Mau oathing ceremonies, and this proliferation stemmed from nagging doubts about the efficacy of oaths.

The publisher and editor apologize for these errors.
