Language and Linguistics
Books and Journals from Cambridge University Press

We are the world’s leading publisher in language and linguistics, with a wide-ranging list of journals and books covering the scope of this discipline.

Our publishing encompasses theoretical, applied and sociolinguistics, and represents a breadth of subfields, including grammar and syntax, phonetics and phonology, semantics and pragmatics, historical linguistics, discourse and conversation analysis, psycholinguistics and neurolinguistics, and first and second language acquisition.

Our acclaimed book list includes state-of-the-art monographs as well as major reference works, guides to research methods, and textbooks at all levels.

The Linguistics Association of Great Britain (LAGB) is the leading professional association for academic linguists in Great Britain, and welcomes new members. Its scope includes all branches of linguistics – formal or functional, theoretical or descriptive, synchronic or diachronic, social or psychological (or neither), concerned with one language or many. Its members individually favour a wide range of different theories of language structure, and all theoretical persuasions are welcome. To learn more, please see http://www.lagb.org.uk.

The LAGB’s main activities are:

- Publication of the Journal of Linguistics.
- An annual conference, which includes invited overseas speakers of renown, a workshop, a language tutorial, various specialist sessions and a summer school, as well as papers reflecting a wide range of views and approaches.
- Representation of linguistics and linguists in matters such as research funding and quality assessment.
- Bridging the gap between academic linguistics and language education through the activities of the LAGB Education Committee. This committee organizes specialist Linguistics at School sessions at LAGB meetings and maintains a glossary of grammatical terminology for schools.
- Maintenance of discussion forums for discussion of general issues.

Members of the LAGB are eligible for a print subscription to the Journal of Linguistics at a special rate. For details, please see http://www.lagb.org.uk/new-subscriptions.

The Journal of Linguistics has as its goal to publish articles that make a clear contribution to current debate in all branches of theoretical linguistics. The journal also provides an excellent survey of recent linguistics publications, with book reviews in each volume and review articles on major works marking important theoretical advances. The journal includes a Notes and Discussion section for briefer contributions to current debate. The Editors welcome proposals for guest-edited special, thematic issues and for overviews papers for the Looking Back, Moving Forward section.
