# Anesthesiologists' Preparedness and Training Needs in Disaster Management: A Mixed-Methods Study from a Conflict-Affected Region – CORRIGENDUM

---

Vanda Yazbeck Karam MD, MHPE, Sandrella Bou Malhab PhD ,  
Samantha Succar MD, Sandra Elias MD, Charbel Gerges MD,  
Micheline Bou Khalil MD and Hanane Barakat MD

---

DOI: <https://doi.org/10.1017/dmp.2025.10152>. Published online by Cambridge University Press: 13 August 2025

Upon publication of this article the author, Vanda Yazbeck Karam, was incorrectly listed as Vanda Abi Raad. Additionally, the degree listed as MEHE was incorrect and should be MHPE.

The article has been updated to reflect this correctly.
