The North American Conference on British Studies

The *Journal of British Studies*, founded in 1961, is published by the University of Chicago Press under the auspices of the North American Conference on British Studies (NACBS). It was the result of the imaginative generosity of a Trinity College alumnus, Frederick E. Hasler (Hon. LL.D. 1957), who contributed funds to the college for the specific purpose of establishing a learned periodical in the field of British history.

The North American Conference on British Studies is a scholarly society affiliated with the American Historical Association and open to anyone in the United States and Canada interested in British civilization in its several aspects: historical, archaeological, literary, artistic, political, and sociological. Its North American constituency comprises about eight hundred members drawn from the fifty states and ten provinces. Affiliated with the parent organization are seven regional conferences (New England, Middle Atlantic, South, Midwest, Western, Pacific Coast, and Northwest) each having its own officers and programs and with a combined membership of more than two thousand. The Conference convenes at least once a year in the autumn, usually in joint session with one of its regional affiliates. It is concerned with advancing and promoting all aspects of the study of British history and culture through its publication program and through meetings, book prizes, and association with likeminded organizations in North America, Britain, and elsewhere.

The Conference sponsors a wide variety of publications. Another journal, *Albion*, issued four times a year at Appalachian State University, Boone, North Carolina, and sent to all members of the parent organization, includes articles, proceedings of all meetings, and book reviews. The Conference’s newsletter, the *British Studies Intelligencer* also sent to members, is published at the University of Arizona and contains notices of meetings devoted to British studies, news of appointments, moves, and retirements, and notes on current publications and research in progress. Other publications appear periodically and will be noted at such times.

Information about membership in the NACBS can be found on the copyright page of this journal.
The North American Conference on British Studies announces the winners of its 1995 prizes for scholarship.

The British Council Prize for the best book of 1994 in any field of British Studies post-1800 has been awarded to

James A. Epstein
*Radical Expression: Political Language, Ritual and Symbol in England, 1790–1850*
Oxford University Press, 1994

The John Ben Snow Prize for the best book of 1994 in any field of British Studies prior to 1800 has been awarded to

Annabel Patterson
*Reading Holinshed’s Chronicles*
University of Chicago Press, 1994

The Walter D. Love Prize for the best scholarly article of 1994 has been awarded to

Barbara Donagan
“‘Atrocity, War Crime and Treason in the English Civil War’”
*American Historical Review*, no. 99 (October 1994)

and Honorable Mention to

Seth Koven
“‘Remembering and Dismemberment: Crippled Children, Wounded Soldiers, and the Great War in Great Britain’”
*American Historical Review*, no. 99 (October 1994)

The NACBS Dissertation Year Fellowship has been awarded to

Lara Kriegel
History, The Johns Hopkins University
for a project entitled

“‘Design and Economy in Mid-Nineteenth Century Britain’”
Advisers: Judith Walkowitz, History, and Mary Poovey, English

The Huntington Library Fellowship has been awarded to

Beth Friedman-Romell
Interdisciplinary Program in Theater and Drama
Northwestern University
for a project entitled

“‘British National Formations in Eighteenth-Century Theater of Hannah Cowley, Elizabeth Inchbald, and Joanna Baillie’”
**Interactions of Thought and Language in Old English Poetry**  
*Peter Clemoes*  
Clemoes brings a lifetime's close study of Anglo-Saxon texts to this fresh appreciation of Old English poetry, with a radically new interpretation that relates the poetry to the entire Anglo-Saxon way of thinking, and to the structures of its society. He proposes a dynamic principle of Old English poetry, very different from common notions.  
*Cambridge Studies in Anglo-Saxon England 12*  
30711-2 Hardback $65.00

**Voyages in Print**  
*English Travel to America, 1576-1624*  
*Mary C. Fuller*  
In the decades leading up to England's first permanent American colony, the literature that emerged needed to establish certain realities against a background of skepticism, and it also had to find ways of theorizing the enterprise. Reception of these texts since the Victorian era has often accepted their claims of heroism and mastery; this study argues for a more complicated, less glorious history.  
*Cambridge Studies in Renaissance Literature and Culture 7*  
48161-9 Hardback $44.95

**Literature in the Marketplace**  
*Nineteenth-Century British Publishing and Reading Practices*  
*John O. Jordan and Robert L. Patten, Editors*  
Contributors draw on speech act, reader response and gender theory in addition to historical, narratological, materialist, and bibliographical perspectives to study authors such as Dickens, the Brontës and George Eliot.  
*Contributors: John O. Jordan, Robert L. Patten, Simon Eliot, Peter J. Manning, Stephen Gill, J. Hills Miller, Linda K. Hughes, Kelly J. Mays, Jonathan Rose, Gerard Curtis, Catherine A. Judd, Maura Ives, Laurel Brake, Elizabeth Morrison*  
*Cambridge Studies in Nineteenth-Century Literature and Culture 5*  
45247-3 Hardback $59.95

**Dante: Monarchia**  
*Prue Shaw, Editor*  
The whole text is here presented in a new translation by Dante scholar Prue Shaw; it includes up-to-date scholarship on the Latin original, and is accompanied by an introduction and notes. In this new and accessible form, the Monarchia will interest not only Dante specialists, but also students of literary studies, political history and philosophy.  
*Cambridge Medieval Classics 4*  
48272-0 Hardback $54.95

**Henry Parker and the English Civil War**  
*The Political Thought of the Public’s ‘Privado’*  
*Michael Mendle*  
Mendle situates each of Parker's significant tracts in its polemical, intellectual, and political context. He also views Parker's literary work in the light of his career as privado, or intimate advisor, to leading figures of the parliamentary leadership. Parker emerges as a fierce opponent of clerical prevention, a strikingly brutal critic of the common law mind, and a leading proponent of parliamentary absolutism.  
*Cambridge Studies in Early Modern British History*  
48227-5 Hardback $54.95

**Classical Humanism and Republicanism in English Political Thought 1570-1640**  
*Markku Peltonen*  
Scholars have assumed that those traditions of political thought that emphasize the citizen's active role exercised no influence in England between the mid sixteenth century and the Civil War in the 1640s. Peltonen challenges that view and argues that early modern Englishmen could characterize their life as one of participation rather than subjection and portray their community as having several distinctively republican features.  
*Ideas in Context 36*

THE BEST IN BRITISH

Novels Behind Glass
Commodity Culture and Victorian Narrative
Andrew H. Miller
Drawing on recent work in critical theory, feminism, and social history, this book explains the relationship between the novel and the emergent commodity culture of Victorian England, using the image of the 'display window' and analyzing the work of Thackeray, Eliot, Dickens, Trollope, and Gaskell.
Literature, Culture, Theory 17
47133-8 Hardback $54.95

Religion and Devotion in Europe, c.1215 - c.1515
R.N. Swanson
The first one-volume survey in English of medieval religion and devotion concentrates on the spirituality that the church sought to promulgate and control. Its thematic structure provides access to major themes in medieval Catholicism as well as subjects of recent debates.
Cambridge Medieval Textbooks
37076-0 Hardback $69.95
37950-4 Paperback $18.95

Fertility, Class and Gender in Britain, 1860-1940
Simon Szreter
This book examines the dramatic fall in family size that occurred in Britain between 1860 and 1940. It overturns current thinking by showing how much variety there was in the occupational patterns of falling fertility. There are entirely new and surprising findings: births were widely-spaced from early in marriage; and sexual abstinence by married couples was far more important than previously imagined.

THE RULING PASSION
British Colonial Allegory and the Paradox of Homosexual Desire
CHRISTOPHER LANE
"The Ruling Passion is expertly researched, demonstrates an authoritative command of theoretical knowledge, and advances our understanding of the complexities involved in representing cross-cultural and cross-class homosocial desire."
—Joseph Bristow, University of York
344 pages, paper $16.95, library cloth edition $49.95

CHERISHING MEN FROM AFAR
Qing Guest Ritual and the Macartney Embassy of 1793
JAMES L. HEVIA
"Hevia persuasively suggests a whole new way of viewing... the entire subject of Sino-Western interaction from the eighteenth century to the present. [This book] deserves to be read by the widest spectrum of historians."
—Paul A. Cohen, John King Fairbank Center for East Asian Research, Harvard University
312 pages, 6 b&v photographs, paper $15.95, library cloth edition $49.95

POPULAR CONTENTION IN GREAT BRITAIN, 1758–1834
Charles Tilly
Between 1750 and 1840 ordinary British people abandoned such time-honored forms of protest as collective seizures of grain, the sacking of buildings, public humiliation, and physical abuse in favor of marches, petition drives, public meetings, and other sanctioned routines of social movement politics. The change created—perhaps for the first time anywhere—mass participation in national politics. Charles Tilly is the first to address the depth and significance of the transmutations in popular collective action during this pivotal era.
"A masterly study of changing forms of popular political action set within overarching arguments about the changing nature of the British state and polity."
—Lynn Hollen Lees, University of Pennsylvania

Royal Bounty
The Making of a Welfare Monarchy
Frank Prochaska
This book—which tells the story of the British royal family’s voluntary work for the deserving and the underprivileged from the eighteenth century to the present—is a pioneering study of the creation of a “welfare monarchy” and its social significance and underlying political meaning in a democratic, collectivist age.

Yeats’s World
Ireland, England, and the Poetic Imagination
David Pierce
with original photographs by Dan Harper
Interweaving biography, criticism, and history, David Pierce follows the life of Ireland’s leading poet from his birth in Dublin in 1865 to his death in the south of France in 1939. This absorbing new study provides a fresh perspective on Yeats, attending as much to his English contexts as his Irish ones and to the preoccupations of his art.

Roubiliac and the Eighteenth-Century Monument
Sculpture as Theatre
David Bindman and Malcolm Baker
Louis François Roubiliac, the most compelling sculptor in eighteenth-century Britain, was responsible for many complex and dramatic monuments that can be seen in Westminster Abbey and churches throughout the country. This book is not only the first extended treatment of the artist since 1928 but is also an exploration of tomb sculpture in the context of the period.
289 b/w +16 color illus. $65.00

The Art of Dress
Fashion in England and France, 1750-1820
Aileen Ribeiro
This handsome book examines English and French fashion from 1750-1820 by studying the art of the period, and it shows how changes in dress reflected social, political, and cultural developments in the two countries.
200 b/w + 50 color illus. $55.00

A Medieval Mercantile Community
The Grocers’ Company and the Politics and Trade of London, 1000-1485
Pamela Nightingale
This book—the first to study an important group of London merchants throughout the whole of the Middle Ages—shows how their fortunes reflected the economic and social changes that transformed Europe during this period. $65.00
Shakespeare, the King's Playwright
Theater in the Stuart Court, 1603-1613
Alvin Kernan
"An elegant, incisive, and truly magisterial book."
—Stephen Greenblatt
"The book is a veritable compendium of fascinating data about the place of writers and writing in Tudor and Stuart England."—Robert C. Evans

- youth culture
- and more

Each article offers a concise summary as well as a guide for further reading.
"Readable and well-researched. . . . A useful guide to those who wish to learn more."
   — COUNT NIKOLAI TOLSTOY
   in Times Higher Education Supplement

"Finally, a book that separates fact from mythology, telling us what we can and cannot know about the ancient Druids. This remarkable book by a leading historian of the Celts offers much for the academian as well as the general reader. Fascinating reading. I could not put it down!"
   — JOSEPH A. KING
   author of Ireland to North America

"The Druids penetrates the veil of fiction and folklore by painting a compelling picture of a central aspect of Celtic society that has been shrouded in mystery for centuries. The author's insights are extremely fresh, based on impeccable scholarship, and presented in an engaging style certain to interest readers from all backgrounds."
   — PETER CHERICI
   author of Celtic Sexuality: Power, Paradigms, and Passion

IMAGINING MONSTERS
Miscreations of the Self in Eighteenth-Century England
Dennis Todd

In 1726, an illiterate woman from Surrey named Mary Toft announced that she had given birth to seventeen rabbits. Deceiving respected physicians and citizens alike, she created a hoax that held England spellbound for months. Todd tells the story of this bizarre incident and shows how it illuminates eighteenth-century beliefs about the power of imagination and the problems of personal identity.

*Paper $17.95 357 pages 3 halftones

UNEASY SENSATIONS
Smollett and the Body
Aileen Douglas

“A significant contribution to the literature on a major eighteenth-century English novelist and a useful response to much current post-Foucauldian work on the body and sexuality.... A pleasure to read.” —Susan Staves, Brandeis University

TENNESSEE

Cutting Edges
POSTMODERN CRITICAL ESSAYS
ON EIGHTEENTH-CENTURY SATIRE
TENNESSEE STUDIES IN LITERATURE, VOLUME 37
Edited by James E. Gill

The essays in this collection examine English satire of the eighteenth century from various theory-based postmodern perspectives. Some look at little-known works that postmodern concerns, such as the role of women and the problems of authorship, have made especially interesting; others reconsider familiar works in light of the latest critical issues.

Origins of the Salvation Army
Norman H. Murdoch
In this deeply researched book, Norman Murdoch offers surprising new insights into the beginnings of the Salvation Army and its growth into an international organization as far-flung as Victoria's empire. In particular, he identifies quick adaptation in the face of failure as a persistent theme in the Army's early history.
256 pages, illustrations
ISBN 0-87049-858-4, $32.00

Virginia Woolf against Empire
Kathy J. Phillips
Virginia Woolf against Empire examines the writer's satires of British society—satires she achieved largely through incongruous juxtapositions linking empire making, militarism, and gender relations. In so doing, the book contributes to the growing recognition of Woolf as a cultural commentator.
312 pages, illustrations

The Gentry in England and Wales, 1500-1700
Felicity Heal and Clive Holmes

“Social and cultural history at its best, this is a comprehensive group portrait of the gentry in early modern England and Wales, tracing them through a period that saw the creation of the early modern state, the Protestant Reformation, and civil war and revolution. The authors’ scholarship is impressive, and they have an eye for the telling detail.”
—Paul S. Seaver, Stanford University

$17.95 paper $45.00 cloth

The World of William and Mary
Anglo-Dutch Perspectives on the Revolution of 1688-89
Edited by Dale Hoak and Mordechai Feingold

This volume contributes to the current reassessment of the “Glorious Revolution” by bringing together the work of leading American, British, and Dutch scholars who present a series of interpretive case studies on a wide variety of political, economic, religious and cultural issues.

$45.00 cloth

Lords of Parliament
Studies, 1714-1914
Edited by R. W. Davis

The House of Lords is familiar largely in connection with a number of celebrated instances where the Lords—as the concentrated and reactionary residue of aristocratic and episcopal power—succeeded in blocking, obstructing, or otherwise delaying reformist legislation. In fact, as these nine case studies attest, the role of the House of Lords was much more complicated and much less reactionary than conventional wisdom has allowed.
