Aims and Scope

The Review is the quarterly publication of the National
Institute of Economic and Social Research. The Institute’s
objective is to promote a deeper understanding of the
interaction of economic and social forces that affect
people’s lives so that they may be improved. It has no
political affiliation, and receives no core funding from
government. Its research programme is organised under
the headings of Economic Modelling and Analysis;
Productivity; Education and Training and the
International Economy.

ies concerning reproduction outside those terms should
be sent to SAGE Publications.

The Review welcomes articles relating to the themes
listed on the back cover, with publication dates in
January, April, July and October respectively. Articles
should normally comprise 4–10,000 words. All articles
are refereed. Full notes for contributors are available
from Fran Robinson (f.robinson@niesr.ac.uk). Articles
intended for publication should be sent to National
Institute Economic Review, 2 Dean Trench Street,
London SW1P 3HE, or by e-mail to Fran Robinson (as
above).
