

In Memoriam
GEORGE W. DOWNS
(1946–2015)

Intellectual leader in the study of public policy, international security, and international law. Author and editor of many books and articles, including *Optimal Imperfection? Domestic Uncertainty and Institutions in International Relations* (with David M. Rocke, 1995); *Collective Security Beyond the Cold War* (1994); *Tacit Bargaining, Arms Races, and Arms Control* (with David M. Rocke, 1990); *Bureaucracy, Innovation, and Public Policy* (1976); “Is the Good News About Compliance Good News About Cooperation?” (with David M. Rocke and Peter N. Barsoom, *International Organization*, Summer 1996); “Managing the Evolution of Multilateralism” (with David M. Rocke and Peter N. Barsoom, *International Organization*, Spring 1998); “Intervention and Democracy” (with Bruce Bueno de Mesquita, *International Organization*, Summer 2006).

Member, Board of Editors,
International Organization
2000–2002
