Go Mobile

CJO Mobile (CJOm) is a streamlined Cambridge Journals Online (CJO)
for smartphones and other small mobile devices

• Use CJOm to access all journal content including FirstView articles which are published online ahead of print
• Access quickly and easily thanks to simplified design and low resolution images
• Register for content alerts or save searches and articles – they will be available on both CJO and CJOm
• Your device will be detected and automatically directed to CJOm via: journals.cambridge.org
Review Articles

Use of minimally invasive parathyroidectomy techniques in sporadic primary hyperparathyroidism: systematic review: D Gracie, SSM Hussain 221

The role of embolisation in ENT: an update: J Risley, K Mann, NS Jones 228

Main Articles

The changing face of informed surgical consent: JC Oosthuizen, P Burns, C Timon 236

Bismuth iodoform paraffin paste hypersensitivity reactions in mastoid cavities following isolation of mucosal lining: a series of 587 patients: CJ Coulson, DD Pothier, P Lai, JA Rutka 240

Incidence of non-infectious ‘acute mastoiditis’ in children: G Kontorinis, I Psarommatis, C Karabinos, Z Iliodromiti, M Tsaknakios 244

Auditory brainstem evoked responses in hyperlipidaemia: effect of various lipid fractions on auditory function: JS Thakur, NK Mohindroo, MS Vasanthalakshmi, N Kashyap, RK Azad, DR Sharma 249

Prospective study of the risk of not using prophylactic antibiotics in nasal packing for epistaxis: C Pepper, S Lo, A Toma 257

Posterio glottic gap and age as factors predicting voice outcome of injection laryngoplasty in patients with unilateral vocal fold paralysis: J Choi, Y-J Son, Y K So, H Byun, E-K Lee, Y-S Yun 260

Biofilm accumulation on endotracheal tubes following prolonged intubation: JM Lee, N Hashmi, JD Bloom, E Tamashiro, L Doghramji, B Sarani, JN Palmer, NA Cohen, N Mirza 267

Clinical study of mucosa-associated lymphoid tissue lymphomas of the head and neck: S Hosokawa, J Okamura, Y Takizawa, G Takahashi, K Hosokawa, H Mineta 271

Oral squamous cell carcinoma in human immunodeficiency virus positive patients: clinicopathological audit: FMA Butt, ML Chindia, F Rana 276

Oral cavity squamous cell carcinoma metastasis to the submandibular gland: TK Naidu, SK Naidoo, PK Ramdial 279

Risk of bleeding after thyroid surgery: matched pairs analysis: RP Morton, V Mak, D Moss, Z Ahmad, J Sevao 285

Are wider surgical margins needed for early oral tongue cancer?: TA Iseli, MJ Lin, A Tsul, A Guiney, D Wiesenfeld, CE Iseli 289

Predictive value of positron emission tomography – computed tomography image fusion in the diagnosis of head and neck cancer: does it really improve staging and management?: C de Casso, V Visvanathan, A Soni-Jaiswall, T Kane, A Nigam 295

Accuracy of magnetic resonance imaging in diagnosing thyroid cartilage and thyroid gland invasion by squamous cell carcinoma in laryngectomy patients: AJ Kinshuck, PWA Goodyear, J Lancaster, NJ Roland, S Jackson, R Hanlon, H Lewis-Jones, J Sheard, TM Jones 302

Short Communication

Draping for neck surgery requiring endotracheal tube manipulation: CL Dalton, PJ Clamp, GC Porter 307

Clinical Records

 jugular bulb diverticulum dehiscence towards the vestibular aqueduct in a patient with otsclerosis: V Van Rompaey, E Offeciers, B De Foer, T Somers 313

An unusual otoscopic finding associated with a type II branchial cleft anomaly: AJ Ebelhar, K Potts 316

Bilateral maxillary mucoceles: an unusual presentation of cystic fibrosis: A Qureishi, P Lennox, I Bottrell 319

Facial nerve palsy caused by parotid gland abscess: RN Kristensen, CH Hahn 322

More than just a simple abscess: could it be caused by Panton–Valentine leukocidin positive Staphylococcus aureus?: J Manara, P Shears 325

Use of bilateral suture laterisation technique in severe paradoxical vocal fold movement, allowing removal of long-term tracheostomy: case report: J Van Griethuysen, C Al Yaghchi, G Sandhu 328
