INTERNATIONAL  
ENCYCLOPEDIA  
OF COMPARATIVE  
LAW ONLINE

### International Encyclopedia of Comparative Law Online

Edited by: **K. Zweigert** and **K. Drobniig**

Available online for the first time, the International Encyclopedia of Comparative Law Online offers full-text searching across all archival content published in this renowned reference work over the last three decades. The Encyclopedia is the first broad, systematic and international compendium of comparative law.

This massive work represents the labor of hundreds of lawyers and scholars throughout the world. It is undoubtedly the most extensive and thorough examination of comparative law on the international level ever published. It incorporates not only detailed descriptions of the legal systems of more than 150 countries but, above all, thoroughly documented comparative analyses of the main issues in civil and commercial law and related issues world-wide.

The original print edition consists of 17 volumes, each divided into 6-20 chapters and written by relevant specialists following intensive research and preparation.

Features and benefits:

- Full-text searchable
- Organized into digestible entries
- Fully hyperlinked indexes
- Personal search tools
- Advanced browsing and searching features
- COUNTER compliant statistics (COUNTER4)
- Cross search with other related titles

### Revisiting Unity and Diversity in Federal Countries

*Changing Concepts, Reform Proposals and New Institutional Realities*

Edited by **Prof. Alain-G Gagnon** and  
**Prof. Michael Burgess**

The principal aim of this book is to revisit the basic theme of "unity and diversity" that remains at the heart of research into federalism and federation. It is time to take another look at its contemporary relevance to ascertain how far the bifocal relationship between unity and diversity has evolved over the years and has been translated into changing conceptual lenses, practical reform proposals and in some cases new institutional practices.
