## Read the Special Issue on Poland in *East European Politics and Societies*

<http://eeeps.sagepub.com>

*East European Politics and Societies (EEPS)* covers issues in Eastern Europe from social, political, and economic perspectives. The journal focuses on expanding readers' understanding of past events and current developments in countries from Greece to the Baltics.

The Summer 2007 issue of *EEPS* will focus on the interlocking changes of ideas and politics in Poland. From developments in the biological sciences during the 1950s to minority legislation after 2002, the articles in this special issue explore the ways in which Polish politics, culture, and society have developed in response to powerful regional actors outside its borders. In less than a century, first the Soviet Union, and now the European Union, have exercised strong influences over Poland and its neighbors. The articles in this issue of *EEPS* explore many of the positive and negative aspects of this influence, and point to a deeper understanding of Poland's past and future.

This special issue includes the following contributions:

- Martin Ferry "From Government to Governance: Polish RDAs in a Changing Regional Context"
- William deJong-Lambert "Szszepan Pieniazek, Edmund Malinowski and Lysenkoism in Poland"
- Jennifer Yoder "Leading the Way to Regionalization in Post-Communist Europe: An Examination of the Process and Outcomes of Regional Reform in Poland"
- Peter Vermeersch "A Minority at the Border: EU Enlargement and the Ukrainian Minority in Poland."

## In Quisling's Shadow

*The Memoirs of Vidkun Quisling's First Wife, Alexandra*

BY ALEXANDRA A. V. YOURIEFF WITH W. GEORGE YOURIEFF AND  
KRISTEN A. SEAVER

*“For more than sixty years the truth about what happened to me so long ago has been deliberately hidden, and soon I, too, shall be a mute memory. I want to tell what I know so that one day, perhaps, the whole truth may be known.”*

Alexandra Andreevna Voronine Yourieff, wife of Vidkun Quisling, reveals firsthand in this detailed memoir the tragedy, betrayals, and happiness of her life.

Quisling's name became synonymous with treason in Norway during the Second World War, and Alexandra came to realize that she had been a pawn in a complicated game of politics and personal ambition.

## MODERN WAR STUDIES

# 800 Days on the Eastern Front A Russian Soldier Remembers World War II

Nikolai Litvin

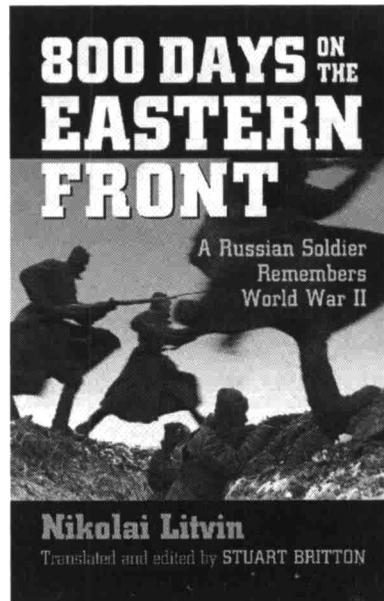

Translated and edited by Stuart Britton

“The best memoir to date of a Red Army soldier in World War II. It’s also rare in terms of the amount of detail it contains, the accuracy of that detail, and its unabashed candor. Britton skillfully complements Litvin’s account by providing essential context and additional valuable information.”—David M. Glantz, author of *Colossus Reborn: The Red Army at War, 1941–1943*

“Absorbing and thought-provoking, Litvin’s story reveals the perseverance, resourcefulness, and astonishing toughness of the typical Red Army soldier, and is a must-read for anyone interested in the Eastern Front or soldiers’ experiences in World War II.”  
—Reina Pennington, author of *Wings, Women, and War: Soviet Airwomen in World War II Combat*

“A quick and enjoyable read filled with insights into the world of the ordinary Soviet soldier in combat on the Eastern Front.”  
—Roger R. Reese, author of *Red Commanders: A Social History of the Soviet Army Officer Corps, 1918–1991*
