How can a strengths approach increase safety in a child protection context?

Whither youth?

# Children Australia

Volume 30 2005

*Children Australia* is a quarterly journal which aims to provide an opportunity for service providers, academics and others concerned with children and families to report on their work, to raise issues and to share their views.

The views expressed in *Children Australia* are those of the authors, and are therefore not necessarily endorsed by the Editors or members of the editorial board.
