In the JIPA article ‘The purpose shapes the vocative: Prosodic realisation of Colombian Spanish vocatives’, in the list of references, on page 56, the citation of GREGORY Ward and Julia Hirschberg’s (1985) article has been mistakenly attributed to NIGEL Ward and Julia Hirschberg. The correct entry is: ‘Ward, Gregory & Julia Hirschberg. 1985. Implicating uncertainty: The pragmatics of the fall-rise intonation. Language 61, 747–776.’
