

## ADDENDUM

# From Fitness-Centered to Trait-Centered Explanations: What Evolutionary Transitions in Individuality Teach Us About Fitness – ADDENDUM

Peter Takacs , Guilhem Doulcier  and Pierrick Bourrat 

DOI: <https://doi.org/10.1017/psa.2023.161>, published online by Cambridge University Press, 1 December 2023.

The original article omitted the following funding statement: “The authors gratefully acknowledge the financial support of the John Templeton Foundation (#62220). The opinions expressed in this paper are those of the authors and not those of the John Templeton Foundation. This research was also supported under the Australian Research Council’s Discovery Projects funding scheme (Project Numbers FL170100160 & DE210100303).” The article also omitted the following acknowledgement: “We are grateful to the audience at PSA 2022 where a preliminary version of this work was presented.”

The online version has since been updated.
