Membership: The British Society for the History of Science welcomes members from all backgrounds, in the UK and internationally. Current members include academics, writers, students, museums professionals, schoolteachers and anyone with an interest in some aspect of the history of science, technology and medicine. Details of the annual subscription can be found on our website www.bshs.org.uk, or from the Executive Secretary at the address below.

Other BSHS publications: BJHS Themes is a fully open access, peer-reviewed journal for the history of science, which publishes annual thematic collections aimed at animating the history of science community. BJHS Themes is enabled by investment from the Society’s Wheeler Bequest in collaboration with Cambridge University Press. Themes collections consist of insightful, original and timely studies that hit the historiographical moment. Articles are free to read online for all. Typically, issues are chosen through an open, annual competition.

Recent issues:

BJHS Themes (2021), 6, ‘Descent of Darwin: race, sex, and human nature’, edited by Erika Milam and Suman Seth.

The Society’s magazine, Viewpoint, an informal publication, appears three times a year. It is free to members, £12.00 for institutions and UK non-members, £17.00 for overseas non-members from the Executive Secretary.

Administrative business of the Society is handled by Lucy Santos, Executive Secretary, British Society for the History of Science. The Society is registered in England as a Limited Company (No. 562208) and is a Registered Charity (No. 258854). Email office@bshs.org.uk.
