The *Agricultural and Resource Economics Review* (ISSN 1068-2805) (formerly the *Northeastern Journal of Agricultural and Resource Economics*, ISSN 0899-367X) is the official publication of the Northeastern Agricultural and Resource Economics Association (NAREA). The purpose of the *Review* is to foster and disseminate professional thought and literature relating to the economics of agriculture, natural resources, and community development. It is the editorial policy of the *ARER* to encourage manuscript submission without regard to author affiliation and/or location. The *ARER* is published in April and October. In addition to normal refereed articles, it also publishes invited papers presented at the annual meetings of the NAREA as well as abstracts of selected papers presented at those meetings. It periodically calls for articles written on a specific topic. Membership in the NAREA is open to all persons having an interest in agricultural and resource economics. Membership dues include a subscription to the *Review* and are $25.00 per year for regular membership and $5.00 per year for students. The single-copy price is $15.00 per issue. The library (or institutional) subscription price is $125 per year.

Address all manuscripts and editorial material to Dr. Titus O. Awokuse and Dr. Joshua M. Duke at the University of Delaware. Please see inside back cover for submission instructions.

Address requests for membership, subscriptions, and changes of address to:
