These *Archaeological Reports* are published by the Hellenic Society and the British School at Athens for their subscribers. They are also offered for sale to the public (obtainable from The Editor (Reports), Hellenic Society, 31-34 Gordon Square, London, WC1H 0PP) at the price of 75p, postage paid. 'Archaeology in Greece' is an annual feature, and the periodic reports on work in other parts of the Greek world include South Italy and Sicily (this year), Western Asia Minor, Cyprus, the Black Sea, etc. In addition there are regular bulletins illustrating new acquisitions by museums in Great Britain.

The picture on the cover is of a kore, probably by the Parian sculptor Aristion, from the Geometric cemetery at Merenda in Attica. See p. 6.
