The Canadian Political Science Association was founded in 1913, and reorganized in 1929. The object of the Association is to encourage the investigation and study of economic, political, and social problems in Canada. The Association does not assume a partisan position. All shades of political and economic opinion are represented in its membership.

Annual Subscription $3.00
Student Subscription $1.50

The Association welcomes as members all who are interested in its objects. Members receive a copy of THE CANADIAN JOURNAL OF ECONOMICS AND POLITICAL SCIENCE, published quarterly for the Association by the University of Toronto Press.

Arrangements have been made for a combined subscription to this Association and to the Canadian Historical Association at a reduced rate of $4.00 a year. Members of the Canadian Historical Association receive a copy of the Annual Report, which contains the papers read at the annual meeting, and either the Canadian Historical Review or the Bulletin des Recherches Historiques. (This combined subscription is not open to libraries or institutions.)

Communications, including applications for membership, should be addressed to the Secretary-Treasurer
