

BULLETIN

Volume **3** (1970)

of the Australian Mathematical Society

Number **2**

M. R. Vaughan-Lee	<i>Generating groups of nilpotent varieties</i>	145
P. D. Finch	<i>On the Möbius function of a non-singular binary relation</i>	155
Peter D. Meyer	<i>An orthomodular poset which does not admit a normed orthovaluation</i>	163
N. H. Williams	<i>An order property of partition cardinals</i>	171
Prem Chandra	<i>A theorem on absolute summability of Fourier series by Riesz means</i>	179
Ronald Alter and Mark Villarino	<i>A remark on primes in arithmetic progressions</i>	185
Lee W. Johnson	<i>Unicity in the uniform approximation of vector-valued functions</i>	193
A. L. Andrew	<i>Convergence of approximate operator methods for eigenvectors</i>	199
H. G. Moore	<i>Free algebra structure: categorical algebras</i>	207
Masako Izumi and Shin-ichi Izumi	<i>Absolute Riesz summability of Fourier series and their conjugate series</i>	217
R. A. Bryce and John Cossey	<i>Some product varieties of groups</i>	231
J. E. Drummond	<i>An existence theorem for differential equations</i>	265
R. McGough	<i>A note on a theorem of Sah</i>	269
John Randolph	<i>A solvability condition for finite groups with nilpotent maximal subgroups</i>	273
Vijay K. Rohatgi	<i>On probabilities of large deviations</i>	277
T. E. Hall	<i>On regular semigroups whose idempotents form a subsemigroup: Addenda</i>	287

Bull. Austral. Math. Soc. Vol. 3 (1970) No. 2, pp. 145-288

THE UNIVERSITY OF QUEENSLAND PRESS
ST LUCIA, QUEENSLAND 4067

Registered in Australia for transmission by post as a periodical

THE AUSTRALIAN MATHEMATICAL SOCIETY

President: G. E. Wall University of Sydney
Secretary: W. Pye Secondary Teachers' College, Victoria, 3052
Treasurer: V. G. Hart University of Queensland
(These officers serve until May 1971)

Membership and correspondence

Applications for membership, notices of change of address or title or position, and other correspondence, except as noted below, should be sent to:

The Secretary, Australian Mathematical Society,
Secondary Teachers' College,
Swanston Street, Parkville, Victoria 3052, Australia.

Subscriptions and correspondence related to accounts should be addressed to:

The Treasurer, Australian Mathematical Society,
Department of Mathematics,
University of Queensland,
St Lucia, Queensland 4067, Australia.

Correspondence about the distribution of the Society's JOURNAL and BULLETIN should be addressed to:

The Business Manager, Australian Mathematical Society,
Department of Mathematics,
University of Queensland,
St Lucia, Queensland 4067, Australia.

The annual subscription is \$50 for Institutions and \$12 for Ordinary Members. Junior Members (undergraduate and junior graduate students) may ask to have their subscription reduced to \$5 p.a. Members of other mathematical societies with which the Australian Mathematical Society has entered into reciprocity agreements are admitted to membership and its privileges at half the current rates, if they are not normally resident in Australia.

Members of the Society receive copies of the JOURNAL free, and may subscribe to the BULLETIN at the price of \$4 per volume. From 1970 on, Members may elect to receive the BULLETIN instead of the JOURNAL.

The JOURNAL of the Australian Mathematical Society

The JOURNAL began publication in 1959. One volume of four parts is published annually, at a price of \$15. Subscription orders and orders for back numbers should be sent to the Business Manager (address above). Manuscripts for publication should be sent to the Editor:

Professor B. Mond,
Department of Mathematics,
La Trobe University,
Bundoora, Victoria 3083, Australia,

or to one of the Associate Editors listed in a recent part of the JOURNAL.
