About APSA

Founded in 1903, the American Political Science Association is the leading professional organization for the study of political science and serves more than 15,000 members in over 80 countries. With a range of programs and services for individuals, departments, and institutions, APSA brings together political scientists from all fields of inquiry, regions, and occupational endeavors within and outside academe in order to expand awareness and understanding of politics.

The direct advancement of knowledge is at the core of APSA activities. We promote scholarly communication in political science through a variety of initiatives including publishing three distinguished journals: *American Political Science Review*, *Perspectives on Politics*, and *PS: Political Science and Politics*.
