MESA, and Cambridge University Press gratefully acknowledge the support provided to the editorial office of IJMES by North Carolina State University.

Aims and Scope: The International Journal of Middle East Studies publishes original research on politics, society, and culture in the Middle East from the seventh century to the present day. The journal also covers Spain, southeast Europe, parts of Africa, South Asia, and the former Soviet Union, as well as other regions, for subjects of relevance to the Middle East. Contributions are welcome from across disciplines, including anthropology, comparative religion, cultural studies, economics, history, law, literature, philosophy, politics, sociology, and theology.
