“Being a member of ASLME pays dividends far beyond its publicized benefits – it is about being part of the major changes in how we think about health care and public health services and delivery through law and ethics.”

James G. Hodge, Jr., JD, LLM, Director of the Public Health Law and Policy Program at the Sandra Day O’Connor College of Law, Arizona State University

“My affiliation with ASLME has been among the most satisfying and beneficial relationships in my career.”

Judith F. Daar, JD, Dean of the Salmon P. Chase College of Law at Northern Kentucky University

“Over the two decades of my membership in ASLME, as my career trajectory shifted from cardiac surgery to ethics and philosophy, JLME has been an invaluable companion and component of my ongoing education and continuing contributions to the field of bioethics.”

Robert M. Sade, MD, Professor of Surgery at Medical University of South Carolina
