The *Journal of Social Policy* carries high quality articles on all aspects of social policy in an international context. It places particular emphasis upon articles which seek to contribute to debates on the future direction of social policy, to present new empirical data, to advance theories, or to analyse issues in the making and implementation of social policies.

The *Journal of Social Policy* is part of the 'Social Policy Package' with *Social Policy and Society*.
Social Policy and Society is an international academic journal sponsored by the UK Social Policy Association. The journal welcomes stimulating original articles that draw upon contemporary policy-related research and associated developments in the social sciences. Each issue contains peer reviewed articles reflecting topical debates and issues within social policy and uniquely, a themed section, edited by a Guest Editor(s). Every themed section includes an introductory piece, a set of peer reviewed articles, a selected review of the key literature, plus a guide to key sources in the area.

Social Policy and Society is part of the ‘Social Policy Package’ along with the Journal of Social Policy.
