

CORRIGENDUM

Sex as the secret: counterinsurgency in Afghanistan—Corrigendum

Helen M. Kinsella

doi: <https://dx.doi.org/10.1017/S1752971918000210> Published online: 18 December 2018

Footnote 15 on page 9 was published incorrectly. The correct footnote text is shown below:

¹⁵The rape of boys, and the practice known as bacha baazi, is not uncommon in Afghanistan. But, that is not to be conflated with the acceptance of homosocial male relations among adults which were taken by the US military to confirm ‘the effeminate characteristics of male Pashtun interaction’ (Manchanda 2015).
