Corrigendum

Relationship between plasma 25-hydroxyvitamin D and leucocyte telomere length by sex and race in a US study – CORRIGENDUM

Jason J. Liu, Elizabeth K. Cahoon, Martha S. Linet, Mark P. Little, Casey L. Dagnall, Herbert Higson, Sharon A. Savage and D. Michal Freedman

The original version of this article was published with an incorrect spelling in the title.

In the title of this article “25-hydroxyvitamin D” should appear “25-hydroxyvitamin D”.

We apologise to the readers for this error and reproduce the entire corrected paper on the following pages.
