Permanent Court of Arbitration *Summaries of Awards 1999-2009*

Edited by

Belinda Macmahon and Fedelma Claire Smith

Over the decade December 1999 to August 2009, fifteen arbitral tribunals and commissions for which the Permanent Court of Arbitration (PCA) in The Hague provided registry services rendered thirty-one public awards and decisions. These arbitrations have all addressed matters of international significance, such as, *inter alia*, State sovereignty, the interpretation of treaties, the delimitation of land and maritime boundaries, the laws of armed conflict (*jus in bello* and *jus ad bellum*), human rights, the law of the sea, environmental law, and the protection of foreign investors. They include four arbitrations brought under Annex VII of the 1982 United Nations Convention of the Law of the Sea; the recently concluded arbitration between the Government of Sudan and the Sudan People's Liberation Movement/Army; and the two commissions established by the December 2000 peace agreement signed by Eritrea and Ethiopia, the Eritrea-Ethiopia Boundary Commission and the Eritrea-Ethiopia Claims Commission.

This volume contains detailed, concise summaries of those thirty-one awards, and a critical analysis of the PCA's contribution to international law and international dispute resolution by Professor J.G. Merrills, Professor of International Law at the University of Sheffield, United Kingdom. The book is edited by former PCA legal staff, Belinda Macmahon and Fedelma Claire Smith.

This collection will be an invaluable research tool for academics and practitioners of public international law and related disciplines, and for anyone wishing to gain an insight into the work of the PCA in recent years.

Recommended citation: NILR

The *Netherlands International Law Review (NILR)* is one of the world's leading journals in the fields of public and private international law. It is published three times a year, and features peer-reviewed, innovative, and challenging articles, case notes, commentaries, book reviews and overviews of the latest legal developments in The Hague. The *NILR* was established in 1953 and has since become a valuable source of information for scholars, practitioners and anyone who wants to stay up-to-date of the most important developments in these fields.

In the subscription to the *Netherlands International Law Review* the *Netherlands Yearbook of International Law (NYIL)* is included. A special membership rate is available to the members of the Dutch Society of International Law.

The *NILR* is published by T.M.C. Asser Press, in cooperation with the T.M.C. Asser Instituut, and is distributed by Cambridge University Press. The T.M.C. Asser Instituut, an inter-university institute for Private and Public International Law and European Law, was founded in 1965 by the law faculties of the Dutch universities. The Institute is responsible for the promotion of education and research in international law.

AUTHORS' GUIDE

CONTENTS OF THE NETHERLANDS INTERNATIONAL LAW REVIEW (NILR)

The NILR, a peer-reviewed English-language publication, invites the submission of articles on legal questions, legal developments, commentaries, analysis and comprehensive overviews in the fields of international law and the conflict of laws, including their comparative legal aspects. These articles must be original and may be of any length up to a maximum of around 35 printed pages each of approximately 450 words. Shorter articles and commentaries of between 5 and 10 printed pages are also published.

The NILR also publishes book reviews and reports of Dutch judicial decisions involving questions of private international law. These have a maximum length of 5 and 15 printed pages, respectively.

SUBMISSION OF MATERIAL

Authors are requested to send their manuscript to the Editorial Office NILR, c/o T.M.C. Asser Instituut, P.O. Box 30461, 2500 GL The Hague, The Netherlands; Tel. +31(70)3420300; Fax +31(70)3420359; E-mail: nilr@asser.nl. All submitted material should be in English, preferably in Word format, and should include an abstract of about 200 words, 4-8 keywords, and a 'header' of a maximum of 40 characters. All articles will be peer reviewed. Articles submitted to NILR may not have been previously published and should not simultaneously be under consideration elsewhere. Electronic pre-prints of a paper or article on public websites or networks, not including personal or departmental websites or institutional repositories, must be removed at the latest upon acceptance for publication.

Manuscripts may be submitted at any time of the year and, if accepted for publication, will be published at the earliest available opportunity.

EDITORIAL POLICY AND DISCRETION

The Board of Editors exclusively reserves the right to suggest modifications and/or additions to all materials accepted for publication, and further reserves the right at any time to reject or to withhold or postpone the publication of any material.

The decision of the Board of Editors will be final.

REVISION

All material accepted for publication may, at the discretion of the Managing Editor, be subjected to linguistic and grammatical revision. This will apply mainly to contributions written by authors whose mother-tongue is not English.

In all such cases the revised text will be sent to the author for his/her approval.

CORRECTION OF PROOFS AND MODIFICATIONS TO THE TEXT

Authors will receive proofs for approval. All accepted material will have been adapted and type-set in the NILR house-style. The NILR does not accept any significant departures from its house-style. Examples of the house-style are available upon request.

Authors may make minor changes or additions to the galley proofs. Substantial modifications, however, may only be made in consultation with and with the consent of the Board of Editors.

COPYRIGHT

Copyright is exclusively vested in the NILR and the author(s) jointly. Acceptance of the Board of Editors' offer to publish implies, however, that authors agree to an embargo on publication elsewhere, either in English or another language, for a period of two years following the date of publication in the NILR. Authors grant the T.M.C. Asser Instituut and T.M.C. Asser Press the exclusive license to publish their contribution worldwide in hardcopy and on-line.

The permission of the Board of Editors will be necessary before the article can be subsequently published elsewhere.

Authors retain the right to post either their own version of their contribution as submitted to the NILR or their own final version of their contribution as accepted for publication prior to editorial input of the publisher on their own personal or departmental websites or in the institutional repository of the institution they worked at the time the paper was first submitted, provided the posting is accompanied by a prominent statement that the paper has been accepted for publication and will appear in a revised form, subsequent to editorial input by the publisher, in the NILR, together with a copyright notice in the name of the copyright holder. The definitive version may be published on the author's personal or departmental website, no sooner than upon appearance of the NILR's online version, subject to file availability and including a prominent statement of full bibliographical details, copyright notice, and link to the online edition of the NILR. The definitive version may be posted on the institutional repository, no sooner than one year after first publication of the article in the NILR, subject to file availability and including a prominent statement of full bibliographical details, copyright notice, and link to the online edition of the NILR.

FEES

Authors will not receive a fee, but will be presented with a complimentary issue of the NILR in which their contribution appears, together with 25 off-prints of their work in the case of articles and case reports and 5 off-prints in the case of book reviews. Additional off-prints may be ordered prior to publication, upon request and payment of a standard fee.
